RADIOS

	Item Description	Number in Stock	Price per Item	Code
	<p>GME 40 Chanel UHF Remote Mount CB Radio The TX3420 is practical and versatile. Through rugged construction, enhanced features and performance, the TX3420 rewrites the the standard for 477 MHz radios. Easy installation in any vehicle with the remote mounting panel and alternatively, the remote head can be attached directly to the main unit if required to create a compact one-piece radio.</p>	4	\$389.00	CM TX3420
	<p>GME CD PLAYER RADIO AM/FM MP3 MARINE RADIO The GME GR9040 Marine Stereo system has been designed with both the music buff and boat owner in mind. With all circuitry conformally coated, exposed metalwork protected against the harsh marine environment and contained in a UV stabilised water resistant polycarbonate housing, the GR9040 will provide many years of reliable service.</p>	4	\$249.00	CM GR9040
	<p>GME RADIO TRANSCEIVER UHF Simple, practical and affordable, the TX3220 is a tough and compact UHF radio with an in-built 'Scanning Mode'. The unique slide-in mounting cradle makes installation simple, the solid die-cast chassis is built to last. This rugged unit is ideally suited to the harsh operating environment of earth moving equipment, tractors and 4WDs.</p>	6	\$269.00	CM TX3220
	<p>GME TRANSCEIVER RADIO UHF The TX4400 is an extremely versatile mobile radio with outstanding specifications and performance. The TX4400's DIN sized case allows it to be conveniently installed into a dashboard or console and its strong diecast aluminium chassis makes it the most robust transceiver of its kind. With just three rotary controls and five touch keys, the TX4400's extensive features are easy to operate.</p>	2	\$369.00	CM TX4400

Pricing is stated in AUD dollars, ex GST & ex Freight
